Demolishing Supposed BIBLE Contradictions

VOLUME 1

Exploring Forty Alleged Contradictions

Ken Ham

GENERAL EDITOR

Behind every supposed biblical error
there is a powerful truth
waiting to be found!

Can God be tempted? Why does Creation take all the Old Testament law? Is marriage good or bad? All these and more are questions that appear to point out a problem in the Biblical text. So often people focus on what seems to be contradictions or errors in the Bible, using them to create doubt in the minds of believers or act as stumbling blocks in trying to present the Gospel.

"All Scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness..."
—2 Tim. 3:16

It is important to realize these books to ensure people that the Bible is accurate. Because over 40 powerful explanations proving the Bible is still accurate and without error for questions such as:

- How is God's name in the Old Testament?
- Is the earth necessarily set on pillars or hanging on nothing?
- Is all Scripture inspired by God, or is some of it the opinion of the writers of Scripture?
- Was Jesus in the wilderness or at the wedding in Cana three days after His baptism?
- After His resurrection, did Jesus first appear to the eleven disciples or a woman in Galilee or a group of women behind closed doors?

Explosive and insightful biblical evidence dispels the thoughts of critics while bringing to light the undeniable power of God's Word. Demolishing Supposed Bible Contradictions Volume 1 accepts the critic's challenge, taking on some of the most difficult issues, helping to strengthen the faith of those who love God. So often the Bible is doubted by people who have heard it is simply filled with errors and mistakes, and many have abandoned the faith, not understanding there wasn't an error at all.
