This way it attracts more readers who prefer to read the specific type of stories. So, after selecting the genre you choose a face for yourself. The face selection process takes place in the bathroom which makes a good sense of the starting place. Many other developers ignore such minor yet important detail. Once you are done with the looks, give yourself a name and move next. Another notable thing is that you are rewarded with coins when customizing yourself. With everything set, you move on with the story by choosing the right answers. The game has quite amazing graphics which get the attention of the readers. Moreover, the character design is quite awesome with good-looking facial features and more. You get to choose your date as well. Join ApkIO Telegram Channel Follow Me on Instagram Ads Chapters: Interactive Stories MOD APK is a visual novel game of the publisher Crazy Maple Studio. This game is for those who are looking for their love because this game includes romantic love stories. You will play a character and immerse yourself in the emotional love story. Introduce about Chapters: Interactive Stories Choose your own love story Compared to My Dog Girlfriend and My Nurse Girlfriend (with only one story), Chapters: Interactive Stories has an enormous collection of stories divided into many different categories. Do you love a romantic story about a girl and guy who is her brother's friend? The love story between a nerd guy and his best friend since childhood? Or even a normal girl and a CEO of a big company? All are in this game. Love stories are divided into categories such as Sweet, CEO / Billionaire, Bad Boys, Mystery / Thriller, Fantasy, Fake Relationship, ... You can choose a story you like and immerse in the romantic story. Besides, the game ranks the most popular stories at the top of each category. So you can choose the most outstanding love story of Chapters: Interactive Stories. Gameplay The gameplay of visual novel games is not too complicated. You will pass each chapter in a very relaxing way, like the way you are enjoying a novel. Chapters: Interactive Stories are told with pictures and lines of the main character. You have to help him (or her) find ways to flirt and seduce your dream man. Currently, Chapters: Interactive Stories has 149 books. The gameplay follows the storyline but it does not mean the game takes you on an existing story. Each story has many knots, and you can choose to push the story in the direction you want. As a novel, love stories are not right or wrong. Each of your choices leads you to a different end. It may be happy, it may be sad, it is entirely up to you. Each story has a description available, so you can find games with content that suits you. Customize the character. In addition to romantic love stories, Chapters: Interactive Stories is also very suitable for fashion followers. Before starting the game, you are allowed to customize the appearance, clothes, hairstyle, skin color for the character. And when your character attends an event or party, you continue to choose costumes to suit that event. Although the character's costumes

do not affect the plot very much, confidence through appearance can help you have more unique ideas. Graphics Chapters: Interactive Stories is a series of stories told by 2D images and texts. I was very impressed with the way they designed the characters, all with very beautiful looks. Besides, the background is also designed with many colors. The game has some music to suit each story, but it does not affect too much of your experience. Hardware requirements Chapters: Interactive Stories is a game that is not too demanding on hardware because it has 2D graphics and fairly simple gameplay. You can play with many Android devices, including mid-range phones. The size is only about 100MB, so the memory requirements are not too big. The game supports Android 4.1+. Memory requirements: 100MB. Internet requirements: Yes. MOD APK version of Chapters: Interactive Stories MOD features Chapters UnlockedCards UnlockedUnlimited Tickets FAQs What is Premium Choice? Sometimes, your conversations go to a dead-end, and you feel very confused. Or sometimes, you have the opportunity to "attack" the opponent, and the game gives you an extremely cute suggestion to help you achieve your goals. But it is not as free as normal choices. You have to buy it with diamonds. What is My Bag? In fact, it doesn't help you too much. Every time you complete a story (or chapter), the cover of that story is saved here. In addition, you can collect medals or some reward cards purchased with diamonds. How to get diamonds? There are many ways for you to get more diamonds when playing Chapters: Interactive Stories. The most common way is to play and complete a chapter. Additionally, you will receive diamonds every day on the first login. The fastest way to get diamonds is to buy by paying via credit card. But this way is quite expensive. You can have large quantities of diamonds by playing and using them sensibly. I use diamonds to buy a Premium Choice, can I use it one more time when I play that chapter again? Yes. If you used a diamond to buy Premium Choices, you have the right to use it for free when playing that chapter again. Age requirements to play Chapters: Interactive Stories? The content of the game has some words and stories that are not suitable for children. Therefore, the game requires players to be 16 years or older. I have played through some books of Chapters: Interactive Stories, and it was really impressive. I was completely caught up in extremely interesting stories with many surprises. Through each chapter, the game creates many details that make players feel curious and want to play one more chapter. The game is like a class on how to behave and talk to people. Through the game, I learned how to flirt and behave confidently when meeting the girl I like.
